ABOUT US

Founded under UAE jurisdiction, this company has set its sights on carving a prominent niche in the dynamic energy and resources commodity sector. With a specialized focus on coal trading, it serves as a crucial link in the supply chain, exporting Indonesian, Australian, South African coal to clients in high-demand markets such as India, Vietnam, Thailand, Malaysia, China etc.

In recent times, this company has written its success story in bold ink. In the fiscal year 2023, it achieved a remarkable feat in terms of turnover, illustrating its growing influence in the industry. Its track record between FY 2015 and March 2022 is equally impressive, with a substantial volumes of coal and iron successfully traded.

Yet, this is just the beginning of their journey. The company is unwavering in its determination to continue scaling new heights. With ambitious aspirations, it envisions a future where it significantly expands its annual trading volume, all while maintaining its commitment to excellence in the energy and resources sector.

Committed To Fuel Efficiency and Cultivating Excellence
